♥ LINING FABRIC

♥ TINY OVERALL BUCKLES x2 (6MM)

♥ 3 OR 4 MM STUDS x 6

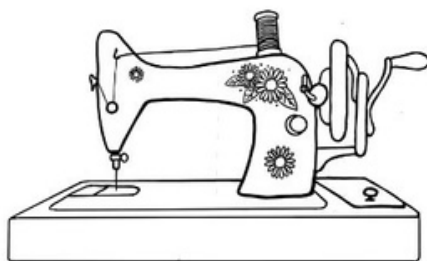

♥ STUD / RIVET SETTER

♥ MATCHING THREAD

♥ HOOK AND EYE OR POPPER

♥ FRAY CHECK

♥ SMALL PIECE OF LEATHER  
OR 5MM RIBBON

Print out the pattern - when printed check that the box in the bottom corner measures 1".

Cut out the pattern pieces and pin them onto your main or lining fabric - following the pattern instructions.

Cut out. Apply fray check raw edges (except arms, shoulder and neck).

01

## LINING THE BODICE

Fold the lower edge of the bodice lining under and press. Sew.

Place bodice lining right sides together on top of the main dress front. Sew from under arm all round arms, shoulder and neck to other side under arm. Clip curves. Fold right side out and press.

# 02

## POCKETS

Fold the top edge of both pocket pieces and press. Hand sew along dotted line.

Sew a line of running stitches around the bottom of the pocket between the dots.

03

## SHAPE THE POCKETS

Make a template to help shape the pocket curves- to do this cut out the inside of the pocket pattern piece and lay it on some thin cardboard. Draw around it, then cut it out.

Place the cardboard template inside the pocket and draw up the gathering stitches to gather the curves around the template. Press with template in place.

04

## ATTACH THE POCKETS

Pin the pockets in place on the front of the dress (using the pattern as a guide).

Sew to front of dress by hand or machine if feeling confident!

05

*DRESS BACK*

Press the top of the skirt back pieces and stitch.

06

*SEW SIDE SEAMS*

Pin the back pieces to the front, right sides together. Sew the side seams.

Press side seams open.

07

## ATTACH BUCKLES

Straps 7cm length x 5mm. Cut from leather. Fold one end over about 7mm over. Thread dungaree clip on. Make a hole using bradawl.

Insert rivet base through folded leather, place rivet cap on top and use setter tool to hammer it together.

08

Make hole in top of bodice and insert rivet. Add cap and close rivet. Repeat on other side.

Make holes in top of skirt (centre of each side).

09

*ATTACH  
STRAPS*

Attach other end of straps to the skirt using rivets.

10

## *BACK SEAM*

Fold skirt in half and sew back seam up to mark. Press seam open.

# 11

## BACK AND HEMMING

Sew around the back opening.

Add hook and eye to close opening at  
top of skirt back.

Press hem and sew.
